

NOTICE 36 OF 2002

HEALTH PROFESSIONS COUNCIL OF SOUTH AFRICA

RULES RELATING TO CONTINUING PROFESSIONAL DEVELOPMENT
IN RADIOGRAPHY AND CLINICAL TECHNOLOGY

The Health Professions Council of South Africa has, in terms of section 26 read with section 158 of the Health Professions Act, 1974 (Act No. 56 of 1974), made the rules set out in the Schedule.

SCHEDULE

DEFINITIONS

1. In these rules "**the Act**" means the Health Professions Act, 1974 (Act No. 56 of 1974), and, unless inconsistent with the context-

"**board**" means the Professional Board for Radiography and Clinical Technology established by Government Notice No. R. 75 of 16 January 1998;

"**continuing professional development**" means the continuing education and training referred to in section 26 of the Act and prescribed in terms of these rules;

"**practitioner**" means a radiographer, supplementary diagnostic radiographer, restricted supplementary diagnostic radiographer, radiation technologist, graduate clinical technologist, supplementary clinical technologist, assistant clinical technologist or electro-encephalographic technician registered in terms of the Act.

REQUIREMENTS

2. Any practitioner whose name on 1 April 2002 appears on the register kept in terms of section 18 of the Act, shall be required to comply with the conditions of continuing professional development laid down in these rules as a prerequisite for such practitioner to retain his or her registration in terms of the Act.

3. Any practitioner who after 1 April 2002 registers for the first time in terms of the Act in any category of independent practice or public service, shall be required to comply with the conditions of continuing professional development laid down in these rules from the following year, which shall be a prerequisite for such practitioner to retain his or her registration in terms of the Act.

4. Any practitioner whose name had been erased from the register shall be subject to compliance with any condition(s) which the board may specify prior to the restoration of the name of such practitioner to the relevant register.

5. For the purpose of continuing professional development, every radiographer, supplementary diagnostic radiographer, restricted supplementary diagnostic radiographer, radiation technologist, graduate clinical technologist, supplementary clinical technologist, assistant clinical technologist or electro-encephalographic technician shall, as from 1 April 2002, be required to accumulate at least 20 points within any one year on the following basis:

(1) A minimum of 10 points shall be accumulated in anyone year.

(2) A maximum of 40 points shall be accumulated in any one year, provided that any points accumulated during one year in excess of 20 points may be forwarded to the subsequent year only.

Provided that, if such radiographer, supplementary diagnostic radiographer, restricted supplementary diagnostic radiographer, radiation technologist, graduate clinical technologist, supplementary clinical technologist, assistant clinical technologist or electro-encephalographic technician does not accumulate the prescribed minimum in any one year, he or she shall be permitted to obtain the required points in the subsequent year.

6. For the purpose of continuing professional development every supplementary radiographer, restricted supplementary diagnostic radiographer or radiation technologist shall, with immediate effect from 1 April 2002, be required to accumulate at least 10 points within any one year on the following basis:

(1) A minimum of 5 points shall be accumulated in any one year.

(2) A maximum of 20 points shall be accumulated in any one year, provided that any points accumulated during one year in excess of 10 points may be forwarded to the subsequent year only.

Provided further that, if such supplementary radiographer, restricted supplementary diagnostic radiographer or radiation technologist does not accumulate the prescribed minimum in any one year, he or she shall be permitted to obtain the required points in the subsequent year.

7. The 20 and 10 points prescribed in Rule 5 and 6 shall be accumulated by way of different educational development activities accredited by the board in any of the following categories of activities:

- (1) Organisational activities
- (2) Small-group activities
- (3) Individual activities
- (4) Any other activity or category of activities which the board may accredit from time to time.

8. In complying with the requirements no more than 80% of points may be obtained in any one category.

9. In complying with the requirements, at least one point per annum shall have to be obtained by every practitioner in professional ethics.

10. During any one year a maximum of 5 points may be obtained in other health-related activities.

11. Deferment of compliance with the requirements of Continuing Professional Development will be granted by the board on application to individual practitioners on submission of adequate reasons and subject to such requirements as the board may determine.

11. In the event of a practitioner not complying with the conditions specified in these rules within the prescribed period of time, the board may impose any one or more of the following conditions, namely-

- (a) grant the practitioner deferment;
- (b) require the practitioner to follow a remedial programme of continuing education and training as specified by the board;
- (c) require the practitioner to write an examination as determined by the board;
- (d) register the practitioner in a category of registration which will provide for supervision regarded as appropriate by the board;
- (e) erase the name of the practitioner from the relevant register.
