Dear Dr Mathibe

SAHPRA GUIDELINE FOR DENTAL RADIOGRAPHY 19 AUGUST 2022

The Society of Radiographers of South Africa (SORSA) kindly requests that the guideline on dental radiography dated 19 August 2022 be distributed to all dental and oral health-related practitioners registered with the HPCSA through the following Professional Boards:

- Medical and Dental Professional Board
- Professional Board for Dental Assisting, Dental Therapy, and Oral Hygiene professionals

This is to raise awareness of this guideline among these professionals and to enable them to implement it in their practices.

Yours sincerely

Riaan van de Venter
SORSA President
