

MEMORANDUM OF UNDERSTANDING between:

Society of Radiographers of South Africa (SORSA)

and

International Society of Magnetic Resonance Technologists (ISMRT)

This memorandum of understanding (MoU) is made by and between the Society of Radiographers of South Africa, further referred to as SORSA and the International Society of Magnetic Resonance Technologists, further referred to as ISMRT.

This MoU describes the conditions and arrangements for cooperation between the concerned organisations.

The parties agree to the following.

Article 1. Purpose and scope

1. To expand the partnership between the two parties, sharing knowledge and information to support both organisations' work in the field of magnetic resonance imaging.
2. To promote academic and scientific collaboration and exchange between the two parties relevant to magnetic resonance imaging.

Article 2. Areas of collaboration

The areas of collaboration between the SORSA and the ISMRT will include, but are not limited to, the following matters.

1. Establishing a mechanism for regular engagement between the SORSA executive committee and the ISMRT executive committee.
2. Working collaboratively to develop and review existing and new joint guidance to support magnetic resonance imaging
3. Mutual support as agreed for courses/annual meetings/congresses related to magnetic resonance imaging through the provision of speakers/faculty and/or pre-recorded lectures.
4. Delivering SORSA – ISMRT webinars and learning events on topics of mutual interest.
5. Fostering research collaborations between the SORSA and the ISMRT.
6. Promoting ISMRT activities on the SORSA website and other communication channels.
7. Promoting SORSA activities, educational events, and publications relevant to ISMRT members.

SORSA and ISMRT will agree to all joint work before it starts, identifying how work will progress and clarifying any financial responsibilities. Where access to resources (e.g., webinar recordings, online courses etc.) incurs a cost, this will be agreed on prior to commencement of the work.

Article 3. Contact

- 1. Formal contact will be maintained by e-mail between the SORSA Public Liaison Officer and the ISMRT Executive Director.

Article 4. Term of this MoU

- 1. The present MoU is valid for four years.
- 2. This MoU can be reviewed at the request of either party and varied by mutual agreement.
- 3. This MoU can be terminated by either party subject to six months' notice

This MoU does not preclude cooperation with other interested parties on similar aims and scope activities.

This MoU is not legally binding.
