

# Te Whatu Ora

## Health New Zealand

---

### Te Toka Tumai Auckland

#### **MRI Medical Radiation Technologist - Radiology Services**

- **We have permanent, full time (40 hours per week) roles available**
- **Great team environment and supportive work culture**
- **Relocation assistance also provided!**

**Application closing date: 24 March 2024**

#### **Te whiwhinga mahi | The Opportunity**

Join **Te Toka Tumai Auckland** and be part of our growing **Radiology Department**, providing Radiological services to our patients from all three sites: **Adult Radiology at Auckland City Hospital, Paediatric Radiology at Starship Hospital** and our **Outpatient Clinic at Greenlane Clinical Centre**.

The Radiology Department has 4 MRI scanners:

- A 1.5T Siemens Sola scanner located at Auckland City Hospital, this caters for cardiac imaging and a mix of in and out-patient work.
- A 3T Siemens Vida scanner located at Auckland City Hospital, this caters for mostly acute and in-patient work.
- A 3T Siemens Skyra scanner located at Greenlane Clinical Centre for out-patient examinations. A 3T Siemens Skyra located at Starship Children's Hospital, this is a mix of in and out-patient paediatrics and some adult work.

In this role, you will be responsible for the scanning of paediatric and adult patients across all clinical modalities working shifts between 7 am to 8.30 pm, Monday to Friday and participate on the weekend and on-call roster outside of these hours. This role rotates to all three sites on a roster basis. We also provide regional, national and quaternary level services so the workload is varied, challenging and interesting.

If this is something that interests you, please apply now!

For further details, please refer to the [position description here](#).

#### **Nga Pūkenga Motuhake | Important Skills**

To be successful in this role:

- You must be eligible for registration with the New Zealand MRT Board. For more details visit: [mrtboard.org.nz](http://mrtboard.org.nz)
- As an ideal candidate, you will have experience as a MRI Radiographer

For more information on the role, please contact Neil Narayan, MRI Team Leader via [neiln@adhb.govt.nz](mailto:neiln@adhb.govt.nz)

## **Ko wai mātou | Our Organisation**

We are Te Whatu Ora Te Toka Tumai Auckland. We provide health and disability services to more than half a million people living in central Auckland, regional services for Northland and greater Auckland, and specialist national services for the whole of New Zealand. Our main sites are Auckland City Hospital, Greenlane Clinical Centre and Starship Children's Hospital, located in central Auckland.

We are part of [Te Whatu Ora – Health New Zealand](#), the overarching organisation for New Zealand's national health service. Te Whatu Ora leads the day-to-day running of the health system, with functions delivered at local, district, regional and national levels.

We are committed to upholding Te Tiriti o Waitangi and providing culturally safe care. We value role modelling manaakitanga as demonstrated by Ngāti Whātua in the gifting of their whenua on which our hospitals stand. We aspire to having a workforce reflective of the communities we serve and achieving equitable outcomes for all.

## **He aha ngā painga o tēnei mahi mōu | Why you will enjoy working here**

We recognise there is more to life than mahi | work, and we encourage and provide access to all our staff several services and benefits to support themselves whilst they are employed within Te Toka Tumai. Auckland offers it all – the great outdoors with beaches and mountains, shows and concerts, sports, shopping, wining and dining. It's a great place to raise children and enjoy and relax when you're an empty nester. It provides a perfect base for exploring New Zealand generally with excellent national and international flight networks. For more information on what we offer, [please click here](#).

## **Me pēhea te tuku tonu | How to apply**

**Please submit your application online, outlining your experience and motivation to apply to this role.** Your cover letter will be a key part of our assessment process, so please highlight how your experience relates to the role and to the competencies listed in the position description. If you have any queries about accessibility, or technical issues with the online process, or require information in an accessible format, please contact Michelle Kanth, Recruitment Consultant via [mkanth@adhb.govt.nz](mailto:mkanth@adhb.govt.nz) quoting ref **#AUC15292** to discuss how we can best support your application.
